Practical internship information site

POINT 2
You can see what it's like to work at a Japanese company

POINT 3
Full of information on paid internships
Intern Jobs

"Intern Jobs" is your source for opportunities to work at Japanese companies.

**FEATURES**

- It can be difficult to find Japanese companies that will hire Foreign Students interns...

  **POINT**

  **Full of information on internships for foreign students!**

  "Intern Jobs" features recruitment information from companies who are seeking Foreign Students for their language skills, abundant vitality, and passion for working in Japan! You can search by desired industry or occupation, allowing you to find the position that is just right for you.

- I like Japan, but I'm not sure about working at a Japanese company...

  **POINT**

  **You can see what it's like to work at a Japanese company!**

  In addition to experiencing Japanese business customs and manners, working at a Japanese company allows you to see what it's like to work with Japanese people.

- I want to work as an intern, but I would have to worry about working part time to cover my living expenses...

  **POINT**

  **We also provide plenty of information on internships that offer wages or stipends!**

  Many of the internships listed on "Intern Jobs" offer compensation (hourly or daily wages). Working at a Japanese company offers an experience you won't find at a part time job. These positions give you this experience before seeking a permanent job while also offering compensation.
