(1) Current students (including students who once lived in a university dorm) can apply for dormitory rooms. In addition, those who are currently staying at UH or IH and whose residence period will expire in September 2024 can also apply again. However, new students will be given priority in the selection process.

(2) Please confirm the following before applying for dormitories.

- ① There is no guarantee that your first choice will be approved. Please understand that due to the number of rooms available and the number of applicants, you will often be granted a room below your second choice.
Please do not enter a preference for a dormitory you do not wish to move into.
- ② UH Aobayama residents pay 5,600 yen for all resident services such as bedding and daily necessities rental in addition to rents. Please note that residents cannot refuse any of the services even if they do not need them.
- ③ Residents cannot smoke in the dorms or on the premises. If you wish to smoke, please apply for a private apartment. Especially, because University Houses are shared type-dormitories, smokers cannot apply.
- ④ International House Sanjo 1 and Higashi-Sendai are old dormitories and their room conditions are not good. There may be damage to the walls, furniture, etc. Please be aware of this when applying for them.

3 Duration of Stay

In general, one of the periods below. You can apply for UH Aobayama for 2 years or shorter, or other dorms for 1 year or shorter. As for UH Nagamachi, IH Higashi Sendai, and International House Couple's Room, residents will be asked to write an application for a period not exceeding one year, but they can apply for an extension of stay every year.

Please refer to "7 Move-in date " for the move-in start date.

- ※1 The end of the period of stay is March 15 or September 15 in all student dormitories, except for exchange students who are accepted for a fixed period of time.
(If March 15 or September 15 falls on a Saturday or Sunday, the end of the period of stay will be the weekday immediately preceding that date.)

Due to room cleaning, students cannot stay in the dorms until September 30 (or March 31). I.e., you will not be able to stay in your room until the day of the graduation ceremony.

- ※2 Rent for final month of residence

If students leave the dorm by the 15th day of the final month of the approved period of stay, rent and management charges for the relevant month will be half of the regular fee. However, students whose duration of stay is scheduled to end on September 15 are not eligible to receive this discount for August even if they leave before August 15. This discount applies only to the final month written on the resident's permit. Please take note of this when entering your residence period if you are short-term student. If you are scheduled to move out of the dormitory in February or August, please enter February 28 or August 30 for your move-out date on your application.
