

Regarding the September, 2020 degree confirming ceremony (commencement) for Tohoku University Graduate School of Agriculture Science, Faculty of Agriculture

We are pleased to inform you that ceremony will be carried out as follows. Please note that according to the university's policy, degree awarding ceremonies at faculties and graduate schools should not be held in-person at BCP level 2 or higher, as per the University's Action Guidelines. Therefore, although at this time, commencement is scheduled to be implemented as follows, these plans are subject to change depending on unforeseen circumstances. In the event of any changes, you will be notified at that time. Thank you for your understanding.

1. Commencement for Tohoku University Graduate School of Agriculture Science, Faculty of Agriculture

Time: September 25, 2020 (Friday) 3:00PM

Venue: Large Lecture Hall (Aobayama Commons 2F)

Attending Students: September 2020 Degree Awardees

(Undergraduates and Graduates completing degree requirements for April to September 2020)

Proceedings:

- (1) Greetings from the Dean of the Faculty and Graduate School (2) Degree conferment
(3) Words from graduating students (4) Photography

※The ceremony will be held in English.

※Regarding (2) of the Proceedings, all degrees will be conferred by the Dean.

※Students in attendance must be dressed appropriately for the degree awarding ceremony (formal wear).

Student ID card (excluding students continuing on in university in Japan) will be collected at the time of reception, so please be sure to bring it with you.

※Students except September 2020 Degree Awardees and the guardians are not allowed to participate in the ceremony.

※September 2020 Degree Awardee's supervisors are allowed to participate in the ceremony. (They will be asked to leave their names at the entrance.)

※Any awardee who wishes to be absent (or is unable to attend) will still be awarded the degree. Please note, however, that in the event of absence, the degree must be received by a member of the awardee's lab. As the commencement date is September 25, the degree cannot be distributed in advance of the ceremony.

※On the date of the ceremony, all potential attendees must monitor their physical health.

※Before entering the lecture hall for the commencement ceremony, all attendees will have their temperature taken and must sanitize their hands with disinfectant provided, and everyone in attendance must wear a mask.

2. Following the ceremony, photographs will be taken in front of the sign and flowers adorning the entrance hall.

The sign will say: [September 2020 Tohoku University, Faculty of Agriculture, Graduate School of Agriculture Degree Awarding Ceremony]
