I, In any of the following cases, (Student) will consult my supervisor (i.e., the academic staff accepting me as a student or a researcher) and, if necessary, take the prescribed procedures based on the Foreign Exchange and Foreign Trade Act, related laws and regulations, and the internal regulations of the University.

(1) In the case that I intend to provide technical information related to a research to a foreign country or to a non-resident or a resident under the significant influence of a non-resident (i.e., a person falling under the “Specific Categories”.) during this period, or in the case that it becomes clear during this period that I will provide such information after leaving Tohoku University.

(2) In the case that I intend to export (send, take abroad, etc.) research equipment, materials used in research, or tangible objects by a research during this period, or in the case that it becomes clear during this period that I will export these items after leaving Tohoku University.

I wish to export devices or materials used in my research or material objects derived from the research to an overseas country during my period of employment at Tohoku University or it becomes known to me during my period of employment that I may export the aforesaid items after expiry of my period of employment.

II, I will not use the technical information obtained by a research for the development, production, use, or storage of weapons of mass destruction (WMD) (nuclear weapons, chemical weapons, biological weapons, WMD delivery systems such as missiles, and unmanned aerial vehicles), conventional weapons, or materials, components, or products used in these weapons. I will use such technical information only for civil purposes.

※Please refer to the attached "Confirmation of the Applicability of Specific Categories" for details on whether or not a product falls under a specific category.
